A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application Dec. 18, 2006 after Allowance but before a payment of the issue fee. The request for continued examination includes a new IDS. This application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e).

Allowance

After considering the Information Disclosure Statement of Dec. 18, 2006 the examiner concludes the following:

1. The Japanese Patent 4179485 is not a prior art in the instant case because it does not disclose or suggest the product of the instant application.
2. The documents in the International Search Report PCT/EP03/13203 do not disclose or suggest the product of the instant application; see the enclosed 892 form.

In result, claims 1-5, 9, 11, 16, 24 and 32 are allowed as stated and explained in the Notice of Allowance mailed Sept. 20, 2006.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
